

Memorial Gifts Ministry

Annual Report 2020

Members of Memorial Gifts:

Chairman: Gary Haut

Treasurer: Gary Wintersteen

Secretary: Carole Ziemke

Members at Large: Fern Kinder, Georgia Alberico, Karen Franz

The Memorial Gifts Ministry consists of six congregants that meet quarterly throughout the year and receive and disburse funds given as memorials in the name of other congregants, family members or friends. Those accumulated funds are then disbursed for requests made from various Ministries or for needs apparent within the church. Generally, funds are not used for Property issues, but rather for decorative needs, music program requests, chairs/tables and similar items. As it has been for all other Ministries of SOTH, 2020 has presented an odd set of circumstances and the only projects presented were:

1. A replacement laptop for Pastor; his broke down (\$430);
2. An upgrade to Ken Franz's PC (\$31.99);
3. Lighting and ethernet switch for AV PC in church (\$117.39).

In 2021, the Memorial Gifts Ministry will continue to advance its efforts and will respect and fulfill specific requests made by the families of donated funds. We hope to use these gifts to enhance worship and respectfully remember those who have gone before us.

Proposed Project List for 2021:

HVAC for Puppet storage area

Painting of Sacristy

A special thanks to the members of this Ministry for their work and dedication to SOTH.
